SUBJECT: Introduction to Production
Exercise: The Review Item

COURSE: INTELLIGENCE PRINCIPLES
AND METHODS

METHOD OF PRESENTATION: Discussion and
Exercise

HOURS: 6

INSTRUCTOR:

OBJECTIVES OF INSTRUCTION:

To provide an opportunity for the selection and organization of data abstracted from various types of intelligence reports and presentation of it in a review item.

25X1

SUMMARY OF PRESENTATION:

The student adds to the folder of information reports and data abstracted from them, in The Principles of Abstracting exercise, an and the information reports used in the Intelligence Brief exercise. Data to be used in the review item is selected and organized and a correlated synthesis written. This first draft is then discussed with the class as to form and content. The final draft should contain an introductory paragraph summarizing the article. Succeeding paragraphs should elaborate upon the introductory paragraph, or support or explain it. Clarity and conciseness are emphasized.

SUBJECTS WITH WHICH COORDINATION IS REQUIRED:

Introduction to Production Exercises:

- 1) Abstracting for Reference
- 2) The Intelligence Brief
